Kenyon \$15 Men's Suits

When you seek economy, ask your merchant to show you this \$15 Suit. Compare it with one that costs \$25, and see wherein lies the difference. It does not lie in the wearing qualities, surely not in the style and fit. The great difference is one of price, caused by more than one reason—made in the largest factories of their kind in the world.

CURIOUS PROCEDURE AFTER RESIGNATION

Deliberation 26 Days and Then Dis-missal.

Washington, D. C., May 12, 1910. Captain Michael Byrnes, 6th. Police Precinct, Commanding.

Sir: I have the honor to hand you my resignation as Rail Road Crossing Policeman for transmittal to the Honorable Commissioners of the District of Columbia.

In so doing I take this opportunity to express to you the high regard in which I hold you as a man, an executive officer, and above all, a superior officer, who has both the welfare of the public and his subordinates at heart. In the three years and more which I have served under you I have yet to note the first sign of discord or discontent among the men of your command. This condition in your precinct being in great contrast to the conditions existing in the precinct in which I served eight years prior to my coming to the Sixth.

If comparisons are permissible, I would compare the workings of that precinct, to yours, as I would a threshing machine to a Waltham watch—your precinct working as accurately and noiselessly as the watch.

It is with regret that I sever my connections with the Sixth Police Precinct in which I met so many manly policemen.

I have the honor to remain, Respectfully yours,

ROBT. L. WARING,
609 F St., N. W.

articles of recent date that appeared over my signature in the Washington Bee, pertaining to matters foreign to the District of Columbia and matters over which the Police Department has no jurisdiction.

Three weeks later or after a lapse of seven weeks after this fault-finding, I am fined \$5 and transferred.

I do not now know nor was I ever informed as to that for which I have been adjudged guilty.

But this is in keeping with the ceaseless, senseless system of nagging that has grown up in the Police Department in the past few years, and which has resulted in the killing of one high police official and which, if persisted in, may result in the killing of another, unless some person, high in authority puts a stop to it. And no jury in this District will convict a man of first degree murder who does the killing, as was evidenced by the final outcome of the case above mentioned, which case on its face bore all the attributes of a cold-blooded murder.

It is astounding to me that those in high authority in this District are ignorant of the views and opinions, as to police officials and inspectors, held by the rank and file of Washington's citizens.

Should your Honorable Board conclude that I have been fined and transferred for cause, I will forward my check under protest, for the above amount.

Three garments have been ordered for me by the Police Department. Dress coat, blouse, and pants. The blouse being of the new style of the summer garment, made of lighter material, less lining, no difference in cut or collar from the old style blouse, but having one button more—at an increased cost to the men of nearly \$1 over the older and heavier garment. I shall pay for this blouse, at the increased price only when compelled to do so.

Knowing as I do that this offence (?) is the pretext and not the cause for my fine and transfer, which took effect May 7, 1910, I respectfully request that this resignation be acted upon immediately as I wish to sever all connection with the Police Department of this District as soon as possible, so that I may place before the public my experiences of a decade in the police service of this City.

I have the honor to remain, Respectfully yours,

ROBT. L. WARING,

WEINGARTEN BROS., Makers, 34th St. at Broadway, New York

Washington, D. C., May 12, 1910. To the Honorable Commissioners of the District of Columbia, through Captain Michael Byrnes, 6th. Police Precinct, Commanding.

Gentlemen: I have the honor to herewith hand you my resignation as Rail Road Crossing Policeman, stationed at Seventh and F streets, Northwest, to take effect forthwith, for the following reasons.

I was appointed to the above position July 9, 1899, and have since served continuously, having in the meantime been transferred twice.

About the middle of March last on two occasions I was found off my post by inspectors. First time, thirty seven minutes; (fifteen minutes of which time I was allowed off by General Orders) and twelve minutes at another time. I was off for reasons over which I had no control—but my corner was covered, however, on both occasions by the regular man on the beat. (It has been the custom for ten years and more, and still is the custom, for a Rail Road Crossing policeman to leave his post when covered as mine was.)

About April 1st. or 2nd. following I was called to Police Headquarters, without any previous knowledge as to what was to be required of me, and tried for the offence (?). Two weeks later I was again called to Headquarters and questioned relative to some

Ordered: That Robert L. Waring is hereby removed from the office of special street railway crossing policeman in the Metropolitan Police Department, D. C., to take effect from and after June 3, 1910.

Official copy furnished Mr. Robert L. Waring.

By order: WILLIAM TINDALL, Secretary, Board of Commissioners, D. C.
